Port of Subs Will Present Check to Family of Injured Football Player After Successful Fundraising Event

Port of Subs will be presenting a check in the amount of \$2,453 to the family of Zeth Shouse on October 21 at 2 p.m. on the Elko High School Football Field. Zeth's father, Todd, will be receiving the check on Friday, accompanied by Elko High football coach Luke Sellers.

Zeth is an Elko High School football player who was critically injured after collapsing during the third quarter of a game against Fallon on September 16.

The money was raised by Port of Subs' Elko location on October 11. Port of Subs donated 20% of the entire day's sales, and the team members also pooled all of the tip money earned throughout the day.

"This is a great example of a community coming together to help one another," said Port of Subs Store Manager Robert Leonhardt. "I am blown away by all of the support we've seen for Zeth and his family, and I'm thrilled that Port of Subs could be a part of it."

Private donations to Zeth and his family can still be made. Any party willing to make a contribution can make checks payable to Elko High School, with "Shouse Family Donations" in the memo. Anyone with questions may contact Erica Gallegos at 775-340-5008 or Kayla Carpenter at 775-397-1824.

About Port of Subs

Port of Subs is a regional sandwich franchise headquartered in Reno, Nevada, and currently operates over 150 stores throughout the western United States. Port of Subs offers both hot and cold deli sandwiches, along with a variety of side items and an

extended array of catering options. Port of Subs prides itself on excellent customer service and a personal, unique dining experience for guests.
